***Meeting Notice - The
February 7, 2022
Meeting has been
Canceled***

I hope this message to all of the BHSRO members finds you doing as well possible during this time. Today's COVID situation has caused another delay in resuming our quarterly meetings. Next target date will be in May. This change is due to the continued BMC Princeton's COVID protocols. Additional information will be forth coming.

The BHRO Board has decided to not have a BHSRO luncheon on Monday, February 7, 2022

Due to no luncheon, the Board will not meet on Monday, January 10. Covid cases are rising at a record rate and

because of the demographics of BHSRO, we should not expose our group to possible health problems.

It has been determined that the best plan moving ahead is for us to watch the situation and shoot for our next Board meeting on Monday, April 11 and next luncheon scheduled for Monday May 25, 2022.

COVID-19 cases are rising sharply in Alabama as the new year begins, driven by the highly contagious but possibly less severe omicron variant.

The seven-day average for new cases rose to 6,139 per day on Monday, the highest it has been during the almost 22 months of the pandemic.

We pray that everyone stays safe and healthy during this COVID-19 outbreak. We look forward to better times and are reassured by Psalm 28:6-7 "Praise be to the Lord, for he has heard my cry for mercy. The Lord is my strength and my shield; my heart trusts in him and he helps me. My heart leaps for joy, and with my song I praise him."

Stay tuned and hopefully we can all get together before long !

Until then, God bless you all !
